For questions regarding abstract submissions please contact FOS 2024 Spring Meeting - Scientific Session Coordinator, Zach Holmes at Zholmes003@gmail.com

We invite undergraduate and graduate students to present their work on Florida avian research at the Spring 2024 in-person conference of the Florida Ornithological Society. Presentations must be related to work conducted in the state of Florida. We invite abstract submissions for consideration as 15-minute oral presentations.

All accepted presentations will be delivered during the scheduled scientific session on March 2nd from 1-3 PM at the Austin Cary Forest, Stern Learning Center. By submitting an abstract, the presenting author agrees to register for the conference and stay for the duration of the scientific session and banquet on March 2nd.

Titles and Abstracts must be submitted via email by February 23rd. Abstracts must be limited to no more than 250 words. Accepted submissions will be notified via email on February 26th.

Presentation Awards: All student submitted abstracts will be eligible for student presentation awards. First Place: \$100, Second Place: \$75, and Third and Fourth Place: \$50.

Travel Awards: A \$100 student attendance stipend is available for all student attendees regardless of presentation. Please register as a student and notify interest of travel stipend. All students must still pay for their dinner and all awarded students must stay for the duration of the conference.
